# Welcome to BumbleBeesRus!

Dear Parents and Guardians,

First and foremost, I want to thank you for choosing BumbleBeesRus as your childcare provider. I am excited to welcome you to the BumbleBeesRus family! Our main goal at BumblebeesRus is to provide your child with the best care possible in a safe, nurturing, and fun environment.

In this Enrollment Packet, you will find all the forms that you need for your child's enrollment at BumbleBeesRus. Also included in this packet is important information such as contact numbers, medical requirements, calendar of events, and other documents that you will need to have signed to complete your child's enrollment. For your convenience, the Enrollment Packet is available online at [www.BumbleBeesRus.com](http://www.BumbleBeesRus.com) and some forms can be downloaded and easily filled out or printed using the Acrobat PDF.

Please do not hesitate to contact me via email or phone should you have any questions regarding your child's care. Thank you and BumbleBeesRus looks forward to providing your child with a wonderful home away from home.

Warm Regards,

***Rivka Reinetz***

## Tuition Agreement Form

Child's Name: \_\_\_\_\_ DOB: \_\_\_\_\_

Parent/Guardian Name(s) : \_\_\_\_\_

### Tuition Agreement

☐ **Private:** I understand that my child's tuition is an ongoing monthly fee and I am responsible for my child's tuition amount based on his/her scheduled days, regardless of any days my child is ill, on vacation, or does not attend for any other reason. Deposits will be accepted on a case-by-case basis. Deposits are non-refundable.

☐ **ACS:** I understand that my child's co-pay is an ongoing weekly fee and I am responsible for my child's co-payment based on the ACS form. I am responsible for my child's weekly co-pay fee even if my child does NOT attend for the week, or is absent for 1 or more days during the week.

☐ **HRA:** I understand that my child's co-pay is an ongoing weekly fee and I am responsible for my child's co-payment based on the HRA form. If my child attends for one day out of the week I am still responsible to pay the weekly fee.

☐ **All Funding Streams:** I understand that tuition is due on the Friday before each new month/week begins. I am aware that all payments need to be received by the Center Office Manager.

### Payment Schedules

☐ **Private:** Late payments and Non-Payments: I understand that payments made after the tenth of the day of the month are considered late and a late fee of \$35 will be assessed. I am aware that if the 10th day of the month falls on a weekend/holiday the last day tuition can be paid without a late fee is the last day the center is open before the holiday/weekend.

☐ **ACS** ☐ **HRA:** Late payments and Non-Payments: I understand that payments made after the Monday after the previous Friday of the week are considered late and a late fee of \$5/day will be assessed. I am aware that if the Friday/Monday of the week falls on a weekend/holiday, the last day that tuition can be paid without a late fee is the day prior to when the center is open before the weekend/holiday.

☐ **All Funding Streams:** Returned Checks: I understand that if my tuition check is returned for any reason, I will be charged a processing fee of \$25.00. I understand that if BumbleBeesRus receives two or more returned checks from my family, they will no longer accept checks as a method of payment.

☐ **All Funding Streams:** Delinquent Accounts: I understand that if accounts continue to be delinquent, the Center has the right to discontinue services.

BumbleBeesRus does not discriminate based on disability in the admission/access to our program.

I understand and agree with all the aforementioned terms listed in the Tuition Agreement.

Dear Parent, Guardian or CACFP Participant,

This center participates in the Child and Adult Care Food Program (CACFP) and provides healthy meals at no cost to all children and adults enrolled in the daycare center. By completing and returning the attached Income Eligibility Form, you will help your center receive money from CACFP for the meals that are served. If your household's income is equal to or less than the amounts indicated for your household size on the chart below, the center will receive a higher rate of funding for the meals served. The Income Eligibility Form needs to be completed every year. Your center and CACFP will keep all information private.

### **INSTRUCTIONS FOR COMPLETING DOH-3688**

#### **Definition of Income**

*Income* means income before deductions for income taxes, social security taxes, insurance premiums, charitable contributions, and bonds, etc. It includes the following: (1) monetary compensation for services, including wages, salary, commissions or fees; (2) net income from non-farm self-employment; (3) net income from farm self-employment; (4) Social Security payments; (5) dividends or interest on savings or bonds, income from estates or trusts or net rental income; (6) unemployment compensation; (7) government civilian employee or military retirement, or pensions or veteran's payments; (8) private pensions or annuities; (9) alimony or child support payments; (10) regular contributions from persons not living in the household; (11) net royalties; (12) military benefits received in cash, such as housing allowance except if you are in the Military Housing Privatization Initiative; and (13) any other cash income.

#### **Definition of Household**

Household means *family* as defined in Section 226.2. *Family* means a group of related or non-related individuals who are not residents of an institution or boarding house, but who are living as one economic unit.

#### **INSTRUCTIONS FOR PARENTS OR GUARDIANS**

Write in the name of the child care center in the space provided.

Print the name of each child in your household who attends this child care center.

**Section A:** If anyone in your household participates in the Supplemental Nutrition Assistance Program (SNAP), receives Temporary Assistance for Needy Families (TANF) or participates in the Food Distribution Program on Indian Reservations (FDPIR), complete Section A only. Write down the SNAP, TANF or FDPIR number (do not use your ACS or DSS child care subsidy number). Then sign and date the form and return it to the day care center.

**Foster children:** If your household includes a foster child who is in child care, write in the names of the foster children.

**Section B:** Complete this section if you did not complete Section A. Write in your name and the names of all other adults and children living in the household, including unrelated people, even if they do not have any income. Do not include the children in child care who are listed at the top of the form.

Enter the amount of income each person received **last month**, before taxes or anything else was taken out. Refer to the Definition of Income and the Definition of Household, above. If any amount last month was more or less than the usual, write in that person's usual income.

The last four digits of the Social Security Number of the adult signing the certification is required. If you do not have a Social Security Number, write *none*. The form must be signed by an adult member of the household.

#### **INSTRUCTIONS FOR CENTERS AND SPONSORS**

**The *For Sponsor Use Only* section is to be completed, signed and dated by center or sponsor staff.** The sponsor/center representative must review the income eligibility form and ensure that it is completed as indicated in the instructions above. Then indicate the following:

##### **The CACFP Agreement Number.**

**Total Number of Household Members** – This item does not have to be completed if the parent completed Section A. Add those indicated in Section B (if completed) to the children enrolled in child care and the number of foster children, if applicable.

**Total Household Income** – This item does not need to be completed if the parent completed Section A. Indicate the total monthly income as calculated from Section B. If the parent chooses not to disclose income, the form must be categorized as *paid*.

**Number of Free, Reduced or Paid** – Compare the total household income and the total number of household members with the current year's Income Eligibility Guidelines (CACFP-3687) to determine if the household should be categorized as **Free, Reduced or Paid**. Use the appropriate column on the CACFP-3687 to categorize their income. For example, if the parent indicated biweekly income, multiply this amount by 26 to determine yearly income.

Incomplete forms (missing signatures, income information, last four digits of Social Security Number or SNAP, TANF or FDPIR numbers) are categorized in the paid category.

**The income eligibility form is valid until the last day of the month one calendar year from the date it is signed by the household member.** For example, a form signed on May 12, 2014 is valid until May 31, 2015.

## Daily Procedures Agreement

Child's Name: \_\_\_\_\_ DOB: \_\_\_\_\_

Parent/Guardian Name(s) : \_\_\_\_\_

### Please initial each item below:

\_\_\_\_\_ I agree to sign the school attendance log when my child arrives in the morning and again when he/she is picked up at the end of the day. No one under the age of 16 is allowed to sign my child in/out of the school.

\_\_\_\_\_ **Illness:** I understand that I will be notified by school personnel if my child becomes ill during the day and I agree to make every effort to have my child picked up in a timely manner, as the health and safety of all children is of the utmost importance. If my child is exposed to or contracts a contagious disease, I agree to notify the school and I will make certain that he/she does not return to school without written permission from my child's doctor.

\_\_\_\_\_ **Withdrawal from BumbleBeesRus:** I have the right to withdraw my child from the program at any time; however, I understand that I must provide a 2 week written notice of withdrawal. If this written notification is not received I agree to pay all the tuition for the 2 week period. I understand that if I then choose to re-enroll my child, she/he will only be readmitted based upon space availability and at the current rate of tuition.

\_\_\_\_\_ At the Director's discretion, BumbleBeesRus has the right to ask a child to withdraw from our program.

\_\_\_\_\_ **Inclement Weather/School Closings:** I understand that it is the Day Cares' objective to be open during every regularly scheduled school day; however, there are some specific days during which the school will be closed (i.e. federal holidays). In addition, inclement weather and or natural/national disaster or major building issues may necessitate an immediate school closing. This will not affect my child's tuition in any way.

\_\_\_\_\_ **I understand that if I am late picking up my child on any given day, I will be charged a late fee of \$1.00 per each minute that I am late *until my child is picked up by myself or the appropriate contact listed.* This late fee is to be paid immediately upon pick-up. If the lateness continues, I may be asked to remove my child from the Center permanently.**

I understand and agree with all the aforementioned terms listed in the Daily Procedures.

## Welcome Parents and Caregivers!

We understand that finding the right day care is a difficult process. Rest assured that every child entrusted into our care will be nurtured and loved. At BumbleBeesRus, we continually strive to create a stimulating environment, where every child is encouraged to reach his or her own potential. We understand that every child is unique and has his/her own individual strengths and interests. Our educational philosophy is to teach multi-sensory approach; we learn through play and we play while we learn.

Additionally, any concern that you might have will be addressed in a professional manner and we will always work together to find appropriate solutions.

## Food & Bottle Policy

As per the New York City Department of Health Bureau of Child Care:

### **Bottles:**

- Parents are expected to provide a supply of prepared formula, ready-made formula, milk, (including breast milk) juice and water as per your child's daily liquid intake habits. Staff are not permitted to prepare or mix any liquids; staff may add water to formula powder that is already prepared in the bottle.
- All bottled liquids must be clearly labeled with the child's first and last name, the contents of each bottle, and the date of preparation.
- Bottled liquids will be refrigerated as necessary during the day and heated accordingly. Microwaves may not be used to heat bottles; bottles will be warmed using hot water only for half an hour prior to serving.
- Staff is not permitted to sanitize or clean bottles. Used and unused bottles will be returned at pick up time. Bottles may not be stored in the center overnight.
- Staff is not permitted to prepare any foods. All perishable food will be refrigerated as necessary. Microwaves will be used to warm/heat up foods. Foods must be stored in a microwavable container clearly labeled with the child's first and last name. Unused portions will be returned at pick up time. Food items may not be stored in the center overnight.

### **Pacifier:**

- Pacifier use is discouraged while the child is awake or during activity times. Children tend to be 'curious' about pacifiers and tend to 'share' them, thereby sharing germs.
- Although there is much controversy over the use of pacifiers, please speak to your child's pediatrician about your child's personal pacifier habits.

\_\_\_\_\_ I have read, understood, and agree with the above policies (please initial).

Dear Parents and Guardians,

First, let me thank you for choosing BumbleBeesRus. We are proud to be your family's child care provider and family partners.

A large part of our program will revolve around the health and safety of your child, and in order to protect all our children, we ask that you submit the following required documents prior to entry date.

**1) COMPLETED PHYSICAL EXAM.**

Please see the forms and information included in the enrollment packet, which provide details regarding specific medical and immunization requirements by age group.

**2) COMPLETED DENTAL EXAM** for children ages 3-5 years.

Going to the dentist is never a fun experience for adults, and for children, it's a real hardship. However, oral health is so important and healthy baby teeth makes for healthy adult teeth and for a healthy child overall. It's also important to be pro-active. Let's get our children to the dentist for a checkup today and hopefully we won't need to take them in tomorrow for a cavity!

**3) COMPLETED FOOD ALLERGY PLAN**

To ensure the health and safety of your child, please fill out the Food Allergy Plan, even if your child does not have allergies. If your child has allergies, please have your child's physician fill out the form in detail so that we know about each allergy that your child has, including any allergy medication to be administered.

Thank you and we look forward to building a healthy future for our children, selves, and community.

Regards,

*Tahreem Shahid*

In some circumstances, your child may be accepted without all of the above requirements based on your physician's planned calendar of immunizations; a doctor's note is recommended. In such cases, it is the parent's responsibility to assure that all requirements are met within the deadline received. Please refer to the official NYC Department of Health and Mental Hygiene Medical Requirements for New School Entrants for more details, which is included in the BumblebeesRus Enrollment Packet. **Religious exemptions for immunizations are not accepted.**

## MEDICAL REQUIREMENTS FOR CHILD CARE AND NEW SCHOOL ENTRANTS

(PUBLIC, PRIVATE, PAROCHIAL SCHOOLS AND CHILD CARE CENTERS)

### ALL STUDENTS ENTERING A NEW YORK CITY (NYC) SCHOOL OR CHILD CARE FOR THE FIRST TIME MUST HAVE A COMPLETE PHYSICAL EXAMINATION AND ALL REQUIRED IMMUNIZATIONS

*In response to the coronavirus disease 2019 (COVID-19) pandemic, the Office of School Health (OSH) will accept completed CH205 forms based on physical examinations and screenings performed within the previous 18 months. OSH will not accept a CH205 that does not include the results of an in-person physical examination. This will remain in effect until December 31, 2020 and may be re-evaluated as the pandemic evolves.*

The comprehensive medical examination must be documented on a Child Adolescent Health Examination Form (CH205) and include the following:

Weight	Body Mass Index	Medical History
Height	Vision Screening	Developmental Assessment
Blood Pressure	Hearing Screening	Nutritional Evaluation
	Dental Screening	

All students entering NYC public or private schools or child care (including Universal 3-K and Pre-Kindergarten classes) for the first time must submit a report of a physical examination performed within one year of school entry. Because children develop and grow so quickly at these early ages, if this initial examination is performed before the student is age 5 years, a second examination, performed between the child's fifth and sixth birthday, is also required. Fillable CH-205 forms that include the student's pre-populated vaccination histories are available in the NYC Citywide Immunization Registry (CIR). A savable version of the pre-populated CH205 is also available in the CIR and is accessible for use to update as needed. For school year 2020-2021, the previous version of the CH205 form produced from the Online Registry will continue to be accepted by all NYC Public Schools, Center/School/Home-Based Care and After-School until it is replaced by the new version.

## IMMUNIZATION REQUIREMENTS 2020–21

The following immunization requirements are mandated by law for all students between the ages of 2 months and 18 years. Children must be excluded from school if they do not meet these requirements. To be considered fully immunized, a child must have an immunization history that includes all of the following vaccines. The child's immunization record should be evaluated according to the grade they are attending this school year.

### PROVISIONAL REQUIREMENTS

New students may enter school or child care provisionally with documentation of at least this initial series of immunizations. Once admitted provisionally, subsequent vaccines must be administered in accordance with the Advisory Committee on Immunization Practices (ACIP) “catch up” schedule for the child to be considered “in process” and remain in school (refer to <https://www.cdc.gov/vaccines/schedules/hcp/imz/catchup.html>). If a child does not receive subsequent doses of vaccine at appropriate intervals and according to the ACIP catch-up schedule, the child is no longer in process and must be excluded from school within 14 days after the minimum interval identified by the ACIP catch-up schedule. Alternative schedules are not acceptable. Students must complete the entire series to comply with the law. Students who have not been immunized within the provisional period must be issued exclusion letters and excluded from school or child care until they comply with the requirements.

2020–21: FULL COMPLIANCE

New York State Immunization Requirements for Child Care and School Entrance/Attendance<sup>1</sup>

**Notes:** For all settings and grades (child care, head start, nursery, 3K, pre-Kindergarten through 12), intervals between doses of vaccine should be in accordance with the ACIP-recommended immunization schedule for children age 0 through 18 years. Doses received earlier than allowable 4-day grace periods or before the minimum age or intervals are not valid and do not count. Refer to the footnotes for dose requirements and specific information about each vaccine. Children enrolling in gradeless classes should meet immunization requirements for their age-equivalent grade. Children who were not in full compliance before the start of the school year must complete requirements according to the ACIP-recommended catch-up schedule in order to remain in child care or school.

1. Documented serologic evidence of immunity to measles, mumps, rubella, hepatitis B, or varicella meets the immunization requirements for these diseases. Serologic evidence of immunity to polio is acceptable only if results are positive for all three serotypes and testing done prior to September 1, 2019. Diagnosis by a physician, physician assistant or nurse practitioner that a child had varicella disease is acceptable proof of immunity to varicella.

2. Diphtheria and tetanus toxoids and acellular pertussis (DTaP) vaccine  
(Minimum age: 6 weeks)

a. Children starting the series on time should receive a five-dose series of DTaP. vaccine at ages 2, 4, 6, 15 through 18 months, and age 4 years or older. The fourth dose may be received as early as age 12 months, provided at least 6 months have elapsed since the third dose. However, when retrospectively identified, the fourth dose need not be repeated if it was administered at least 4 months after the third dose. The final dose in the series must be received on or after the fourth birthday and at least 6 months after the prior dose.

b. If the fourth dose was administered at age 4 years or older, the fifth (booster) dose is not necessary.

c. If the fifth dose was received prior to the fourth birthday, a sixth dose, administered at least 6 months after the prior dose, will be required.

d. For children born before January 1, 2005, immunity only to diphtheria is required; any diphtheria-containing vaccine can meet the requirement (DTaP, DT, Td, and Tdap).

e. Children ages 7 years and older who are not fully immunized with the childhood DTaP vaccine series should receive Tdap vaccine as the first dose in the catch-up series; if additional doses are needed, either Tdap or Td can be used. If the first dose of DTaP/DTP/DT was received before the first birthday, then four total doses are required to complete the series. If the first dose of DTaP/DTP/DT was received on or after the first birthday, then three total doses are required to complete the series. The final dose must be received on or after the fourth birthday.

3. Tetanus and diphtheria toxoids and acellular pertussis (Tdap) vaccine  
(Minimum age: 7 years)

a. Students ages 11 years or older entering grades 6 through 12 are required to have one dose of Tdap.

b. Students without Tdap who are age 10 years upon entry to 6<sup>th</sup> grade are in compliance until they turn age 11 years.

c. In addition to the grade 6 through 12 requirement, Tdap may also be given as part of the catch-up series for students 7 years of age and older who are not fully immunized with the childhood DTaP series (see footnote 2e).

d. In school year 2020-2021, only doses of Tdap (or DTaP) given at age 10 years or older will satisfy the Tdap requirement for students in grade 6; however, doses of Tdap (or DTaP) given at age 7 years or older will satisfy the requirement for students in grades 7 through 12.

e. DTaP should NOT be used on after the 7<sup>th</sup> birthday but if inadvertently received, the Tdap requirement is satisfied by doses of DTaP (see footnote 3c).

4. Inactivated poliovirus vaccine (IPV) or oral polio vaccine (OPV)  
(Minimum age: 6 weeks)

a. Children starting the series on time should receive IPV at ages 2, 4, 6 through 18 months and age 4 years or older. The final dose in the series must be received on or after the fourth birthday and at least 6 months after the prior dose.

b. For students who received their fourth dose before age 4 years: if the 4<sup>th</sup> dose was prior to August 7, 2010, four doses separated by at least four weeks is sufficient; otherwise a 5<sup>th</sup> dose, administered at least 6 months after the prior dose, is required.

c. If the third dose was received at age 4 years or older and at least 6 months after the prior dose, a fourth dose is not necessary.

d. If both OPV and IPV were administered as part of a series, the total number of doses and intervals between doses is the same as that recommended for the IPV schedule. For OPV to count towards the completion of the polio series, the dose(s) must be have been given before April 1, 2016 and be trivalent (tOPV).

5. Measles, mumps and rubella (MMR) vaccine  
(Minimum age: 12 months)

a. The first dose of MMR vaccine must be given on or after the first birthday. The second dose must have been received at least 28 days (four weeks) after the first dose to be considered valid.

b. Students in kindergarten through grade 12 must receive two doses of measles-containing vaccine, two doses of mumps-containing vaccine and at least one dose of rubella-containing vaccine.

6. Hepatitis B (HepB) vaccine  
(Minimum age: birth)

a. The first dose of HepB vaccine may be given at birth or anytime thereafter. The second dose must be given at least four weeks (28 days) after the first dose. The third dose must be given at least eight weeks after the second dose AND at least 16 weeks after dose one AND no earlier than 24 weeks of age.

b. Administration of a total of four doses is permitted when a combination vaccine containing HepB is administered after the birth dose. This fourth dose is often needed to ensure that the last dose in the series is given on or after age 6 months.

c. Two doses of adult HepB vaccine (Recombivax®) received at least four months apart at age 11 through 15 years will meet the requirement.

7. Varicella (chickenpox) vaccine  
(Minimum age: 12 months)

a. The first dose of varicella vaccine must be given on or after the first birthday. The second dose must have been received at least 28 days (four weeks) after the first dose to be considered valid.

b. For children younger than age 13 years, the recommended minimum interval between doses is three months (though if the second dose was administered at least four weeks after the first dose, it can be accepted as valid); for people age 13 years and older, the minimum interval between doses is four weeks.

8. Meningococcal Vaccine (MenACWY)  
(Minimum age: 6 weeks)

a. Students entering grades seven, eight, nine, ten, and eleven are required to receive a single dose of meningococcal conjugate vaccine against serogroups A, C, W-135 and Y (MenACWY vaccine).

b. Students entering grade 12 need to receive two doses of MenACWY vaccine, or only one dose of MenACWY vaccine if the first dose was administered at age 16 years or older.

c. If the second dose was administered before age 16 years, then a third dose given on or after age 16 years is required.

d. The minimum interval between doses of MenACWY vaccine is eight weeks.

e. In school year 2020-2021, doses of MenACWY administered before age 10 years do not satisfy the requirement for students in grade 7 but do satisfy the requirement for students in grades 8 through 12.

9. Haemophilus influenzae type b conjugate vaccine (Hib)  
(Minimum age: 6 weeks)

a. Children starting the series on time and receiving PRP-T Hib vaccine should receive doses at ages 2 months, 4 months, 6 months and 12 through 15 months. If the formulation is PRP-OMP, only two doses are needed before age 12 through 15 months.

b. If 2 doses of vaccine were received before age 12 months, only 3 doses are required, with the third dose at 12 through 15 months and at least 8 weeks after the second dose.

c. If the first dose as received at age 12 through 14 months, only 2 doses are required with second dose at least 8 weeks after the first dose.

d. If the first dose was received at age 15 months or older, no further doses are required.

e. Hib vaccine is not required for children ages 5 years or older.

10. Pneumococcal conjugate vaccine (PCV)  
(Minimum age: 6 weeks)

a. Children starting the series on time should receive PCV vaccine at ages 2 months, 4 months, 6 months and 12 through 15 months.

b. Unvaccinated children ages 7 through 11 months must receive two doses, at least four weeks apart, followed by a third dose at age 12 through 15 months and at least eight weeks after the prior dose.

c. Unvaccinated children ages 12 through 23 months must receive two doses at least eight weeks apart.

d. If a dose was received at age 24 months or older, no further doses are required.

e. PCV vaccine is not required for children ages 5 years or older.

f. PCV chart available at: <https://www.health.ny.gov/prevention/immunization/schools/>

11. Influenza Vaccine  
(Minimum age: 6 months)

a. All children 6 months through 59 months of age enrolled in NYC Article 47 & 43 regulated Child Care, Head Start, Nursery, or Pre-K programs must receive one dose of influenza vaccine between July 1<sup>st</sup> and December 31<sup>st</sup> of each year.

b. Depending on their prior influenza vaccination history, some children may need two doses of influenza vaccine; however, a second dose is not required for school entry. Rev. 7/7/2020

### **Well-Baby Visits for Children under the age of 24 months:**

Children are required to be seen by a doctor and a physical exam submitted to BumbleBeesRus at the following intervals: 2, 4, 6, 9, 12, 15, 18, and 24 months. This means that during the school year, if your child ages into any of these groups (for example, turns 9 months old), your child will have to be seen by a doctor. Your Family Worker or Office Manager will be in touch with you to remind you about these requirements; however, your child's enrollment is contingent on compliance and it is the parent's responsibility to assure that the appropriate documentation is received in a timely manner.

**Health Screenings:** (Please initial where indicated):

As mandated by Early Learn regulations and as is needed to assure the health and development of your child, BumbleBeesRus will be conducting various screenings which will be performed either by in-house staff members or fully certified external resources.

The following screenings are a list of screenings that BumblebeesRus may conduct:

- Audiology (hearing) Screening.
- Blood Pressure Exam
- Dental and Oral Health Screening.
- Developmental and Educational Screenings
- Growth Assessments, which includes height and weight testing
- Nutrition Review
- Social Emotional Test
- Vision Test

If any of the above is a concern, please advise your family worker immediately so that we can discuss and address appropriately.

**Health Screenings (please initial):**

\_\_\_\_ I give permission for BumbleBeesRus to conduct all health and developmental screenings as listed above or as deemed necessary. Screenings may be done by either BumbleBeesRus staff/consultants and by certified organizations who partner with BumbleBeesRus for the health and well-being of my child.

\_\_\_\_ If my child should need services, I authorize any involved agencies to release a copy of any necessary records, including my child's IEP, to BumbleBeesRus and to its staff members as deemed necessary. I give full permission for the teachers of my child to peruse any therapist notes and files.

**OTC Medication (please initial):**

\_\_\_\_ I give permission for the administration of the following non-ingestible over the counter medications, including sunscreen, diaper creams, and insect repellent, as needed. I understand that such OTC medication will be brought to school in its original container and will be clearly labeled with my child's name.

I understand and agree to all of the topics listed in the Consent Form.

## Signature Required For Consent

Signed consent authorizes the following treatments to be rendered to the child by the First MedCare Inc SBHC-D for the duration of the child's enrollment at this school :

- Oral Exam
- Oral Prophylaxis
- Fluoride Application
- Sealants
- Referrals for dental services not provided at SBHC-D

I am the custodial parent/legal guardian of the above child and I authorize First Medcare Inc. and its affiliates to provide dental care which is limited to a dental exam or screening, cleaning, fluoride treatment and/or sealants. I also give consent for the above services to be done without my presence for the duration of my child's enrollment at this school. I acknowledge that a copy of the notice of privacy practices for First Medcare Inc. is available upon request. I give consent to release my child's most recent health information as provided to the school facility. By signing this consent, I am authorizing medical or dental information to be given to the child's school and/or current dental provider either because it is required by law or it is necessary to protect the health and safety of the child. My questions about the Notice of Privacy Practices have been answered. I understand that I do not have to allow release of my child's medical or dental information, and that I can change my mind at any time and revoke my authorization by writing to the SBHC-D. However, after a disclosure has been made, it can not be revoked retroactively to cover information released prior to the revocation. I authorize First MedCare Inc. to use the information provided above to obtain insurance information necessary for billing. I authorize First Medcare Inc. to bill and collect payment from any Medicaid funded insurance or third party payer that covers the services provided to the student, and shall be applied to the patient's benefits. If child has no dental insurance, a zero-based sliding fee scale will be used. Questions about our services can be answered by calling the number below.

I have read and understand the information listed above:\_\_\_\_\_
