

Summer Program After School Program Enrollment Packet

76 LORRAINE ST. • Brooklyn, NY 11231 (718) 858-8111

BumbleBeesRus.com

Welcome to BumbleBeesRus!

Dear Parents and Guardians,

First and foremost, thank you for choosing BumbleBeesRus as your Summer Program/ After School provider. We are excited to welcome you to the BumbleBeesRus family! Our main goal at BumblebeesRus is to provide your child with the best care possible in a safe, nurturing, and fun environment.

In this Enrollment Packet, you will find all the forms that you need for your child's enrollment at BumbleBeesRus. Also included in this packet is important information such as contact numbers, medical requirements, calendar of events, and other documents that you will need to have signed to complete your child's enrollment. For your convenience, the Enrollment Packet is available online at www.BumbleBeesRus.com and some forms can be downloaded and easily filled out or printed using the Acrobat PDF.

Please do not hesitate to contact us should you have any questions regarding your child's care. Thank you and BumbleBeesRus looks forward to providing your child with a wonderful home away from home.

Warm Regards,

The BumbleBeesRus Administration

Phone: (718) 858-8111

Dear Parent, Guardian or CACFP Participant,

This center participates in the Child and Adult Care Food Program (CACFP) and provides healthy meals at no cost to all children and adults enrolled in the daycare center. By completing and returning the attached Income Eligibility Form, you will help your center receive money from CACFP for the meals that are served. If your household's income is equal to or less than the amounts indicated for your household size on the chart below, the center will receive a higher rate of funding for the meals served. The Income Eligibility Form needs to be completed every year. Your center and CACFP will keep all information private.

DOH-3688 (6/14) Page 1 of 2

Privacy Act Statement: The Richard B. Russell National School Lunch Act requires the information on this form. You do not have to give the information, but if you do not, we cannot approve the participant for free or reduced-price meals. You must include the last four digits of the Social Security Number of the adult household member who signs the form. The Social Security Number is not required when you: apply on behalf of a foster child; provide a SNAP, TANF or FDPIR number; or when you indicate that the adult household member signing the form does not have a Social Security Number. We will use your information to determine if the center is eligible for free or reduced-price meal reimbursement and for administration and enforcement of the Program.

INSTRUCTIONS FOR COMPLETING DOH-3688

Definition of Income

Income means income before deductions for income taxes, social security taxes, insurance premiums, charitable contributions, and bonds, etc. It includes the following: (1) monetary compensation for services, including wages, salary, commissions or fees; (2) net income from non-farm self-employment; (3) net income from farm self-employment; (4) Social Security payments; (5) dividends or interest on savings or bonds, income from estates or trusts or net rental income; (6) unemployment compensation; (7) government civilian employee or military retirement, or pensions or veteran's payments; (8) private pensions or annuities; (9) alimony or child support payments; (10) regular contributions from persons not living in the household; (11) net royalties; (12) military benefits received in cash, such as housing allowance except if you are in the Military Housing Privatization Initiative; and (13) any other cash income.

Definition of Household

Household means *family* as defined in Section 226.2. *Family* means a group of related or non-related individuals who are not residents of an institution or boarding house, but who are living as one economic unit.

INSTRUCTIONS FOR PARENTS OR GUARDIANS

Write in the name of the child care center in the space provided.

Print the name of each child in your household who attends this child care center.

Section A: If anyone in your household participates in the Supplemental Nutrition Assistance Program (SNAP), receives Temporary Assistance for Needy Families (TANF) or participates in the Food Distribution Program on Indian Reservations (FDPIR), complete Section A only. Write down the SNAP, TANF or FDPIR number (do not use your ACS or DSS child care subsidy number). Then sign and date the form and return it to the day care center.

Foster children: If your household includes a foster child who is in child care, write in the names of the foster children.

Section B: Complete this section if you did not complete Section A. Write in your name and the names of all other adults and children living in the household, including unrelated people, even if they do not have any income. Do not include the children in child care who are listed at the top of the form.

Enter the amount of income each person received **last month**, before taxes or anything else was taken out. Refer to the Definition of Income and the Definition of Household, above. If any amount last month was more or less than the usual, write in that person's usual income.

The last four digits of the Social Security Number of the adult signing the certification is required. If you do not have a Social Security Number, write *none*. The form must be signed by an adult member of the household.

INSTRUCTIONS FOR CENTERS AND SPONSORS

The For Sponsor Use Only section is to be completed, signed and dated by center or sponsor staff. The sponsor/center representative must review the income eligibility form and ensure that it is completed as indicated in the instructions above. Then indicate the following:

The CACFP Agreement Number.

Total Number of Household Members – This item does not have to be completed if the parent completed Section A. Add those indicated in Section B (if completed) to the children enrolled in child care and the number of foster children, if applicable.

Total Household Income – This item does not need to be completed if the parent completed Section A. Indicate the total monthly income as calculated from Section B. If the parent chooses not to disclose income, the form must be categorized as *paid*.

Number of Free, Reduced or Paid – Compare the total household income and the total number of household members with the current year's Income Eligibility Guidelines (CACFP-3687) to determine if the household should be categorized as **Free, Reduced** or **Paid**. Use the appropriate column on the CACFP-3687 to categorize their income. For example, if the parent indicated biweekly income, multiply this amount by 26 to determine yearly income.

Incomplete forms (missing signatures, income information, last four digits of Social Security Number or SNAP, TANF or FDPIR numbers) are categorized in the paid category.

The income eligibility form is valid until the last day of the month one calendar year from the date it is signed by the household member. For example, a form signed on May 12, 2014 is valid until May 31, 2015.

Participant Agreement, Agreement to Indemnify, & Risk Acknowledgment

Child's Name:	DOB:	
Parent/Guardian Name(s):		

In consideration of the services of the BumbleBeesRus Summer/After School Program, as well as their agents, officers, participants, consultants, employees, and all persons or entities acting in any capacity on their behalf (hereinafter referred to as BBRU), I now agree to release & discharge BBRU on behalf of myself, my children, my parents, my family as follows:

1. I acknowledge the activities of this program entail known & unanticipated risks, which could result in physical or emotional injury, paralysis, death or damage to my child, to property or to third parties. I understand that such risks cannot be eliminated without jeopardizing the essential qualities of the program activities. In an effort to minimize those risks I agree to follow all safety requirements and make use of any safety equipment provided.

THE RISKS INCLUDE, BUT ARE NOT LIMITED TO:

- A. Nature of the activities.
- B. Latent or apparent defects or conditions in equipment or property supplied by BBRU or other persons or entity.
- C. Use of property or equipment supplied by BBRU or other persons or entities by my child or others.
- D. Acts of other participants in this program, employees or agents of BBRU.
- E. My child's own physical condition, or own acts or omissions.
- F. Conditions of BBRU's facility & surrounding grounds or terrain and accidents connected with their use.
- G. First Aid emergency treatment or other services.
- 2. I expressly agree and promise to accept and assume all the risks existing in this program, on behalf of myself and my child. My child's participating in this program is purely voluntary and I elect to allow my child to participate in spite of the risks.
- 3. Both my child and I agree that when he or she is participating in the Program, that he or she will cooperate promptly and fully with all directions of BBRU's personnel. We also agree that he or she will follow all BBRU Rules and Regulations, and all applicable City of New York ("City"), New York State, and Federal laws, rules and regulations. We understand that her or his failure to behave appropriately may result in termination from the Program.

2. SUMMER SCHOOL AFTERSCHOOL RULES AND REGULATIONS:

A. Participation

Children are required to:

- a) Adhere to all Summer/After School program Rules and Regulations.
- b) Attend the Summer/After School program on a regular basis.
- c) Respect all program staff and members.
- d) Respect all children in the program.
- e) Respect property of the Summer/After School program facilities.
- f) Notify a Summer/After School program program staff member immediately regarding any issues.
- g) Leave the building at dismissal. Wait quietly in the lobby if waiting for an escort.

- h) Walk safely in the building and speak in an appropriate tone and volume.
- i) Refrain from using electronic games and toys during the Afterschool program. Children are asked to adhere to the following agreement.
- 3. AS A SUMMER/AFTER SCHOOL PROGRAM MEMBER, I PROMISE TO (to be signed by student):
 - a) Always treat others with respect
 - b) Use only polite, kind words
 - c) Always listen to and respect the Afterschool staff
 - d) Respect Recreation Center property
 - e) Respect other people and their property
 - f) Always keep my hands and feet to myself
 - g) Always ask permission before leaving the Afterschool area
 - h) Avoid fighting, bullying, and teasing others
 - i) Follow the Afterschool schedule
 - j) Not chew gum or eat candy
 - k) Always resist peer pressure
 - I) Take responsibilities for my actions
 - m) Always stand up for my beliefs
 - n) Always resolve conflict nonviolently
 - o) Respect other people's cultural/racial/ethnic background
 - p) Always help others when they are in need of help
 - q) Always tell the truth
 - r) Always clean up after myself
 - s) Be proud of who I am

Summer/After School Program 76 Lorraine Street

Brooklyn, NY 11231 Email: (718) 858-8511 BumbleBeesRus.com

Dear Parents.

Thank you for choosing BumbleBeesRus. We are proud to be your family's Summer/After School Program partner.

A large part of our program will revolve around the health and safety of your child, and in order to protect all our children, we ask that you submit the following documents prior to entry date.

1) COMPLETED PHYSICAL EXAM

Please see the forms and information included in the enrollment packet, which provide details regarding specific medical and immunization requirements.

2) COMPLETED CHILD HEALTH HISTORY FORM

3) COMPLETED FOOD ALLERGY PLAN

To ensure the health and safety of your child, please fill out the Food Allergy Plan, even if your child does not have allergies. If your child has allergies, please have your child's physician fill out the form in detail so that we know about each allergy that your child has, including any allergy medication to be administered.

4) COMPLETED ASTHMA ACTION PLAN

If your child has asthma, your physician is required to fill out and sign out this form.

5) COMPLETED MEDICATION ADMINISTRATION CONSENT FORM

If your child has medication that must be administered, please fill this out with your physician.

6) HEALTH SCREENINGS CONSENT AND SICK POLICY FORM

Thank you and we look forward to providing a safe and fun environment for your children.

Regards,

BumbleBeesRus Summer/After School Program Administration

SEPTEMBER 2022

MEDICAL REQUIREMENTS FOR CHILD CARE AND NEW SCHOOL ENTRANTS

(PUBLIC, PRIVATE, PAROCHIAL SCHOOLS AND CHILD CARE CENTERS)

ALL STUDENTS ENTERING A NEW YORK CITY (NYC) SCHOOL OR CHILD CARE FOR THE FIRST TIME MUST HAVE A COMPLETE PHYSICAL EXAMINATION AND ALL REQUIRED IMMUNIZATIONS

The comprehensive medical examination must be documented on a Child Adolescent Health Examination Form (CH205) and include the following:

Weight Body Mass Index Medical History

Height Vision Screening Developmental Assessment
Blood Pressure Hearing Screening Nutritional Evaluation

Dental Screening

All students entering NYC public or private schools or child care (including Universal 3K and Pre-Kindergarten classes) for the first time must submit a report of a physical examination performed within one year of school entry. Because children develop and grow so quickly at these early ages, if this initial examination is performed before the student is age 5 years, a second examination, performed between the child's fifth and sixth birthday, is also required. Fillable CH-205 forms that include the student's pre-populated vaccination histories are available in the NYC Citywide Immunization Registry (CIR). A savable version of the pre-populated CH205 is also available in the CIR and is accessible for use to update as needed. For school year 2022-2023, the previous version of the CH205 form produced from the Online Registry will continue to be accepted by all NYC Public Schools, Center/School/Home-Based Care and After-School until it is replaced by the new version.

Required Screening for Child Care Only

Screening	Required Information
Anemia Screening	Hematocrit OR Hemoglobin
Lead Screening, Assessment and Testing	 All children under age 6 years must be assessed annually for lead exposure. Blood lead tests are required for children at ages 1 and 2 years AND other children up to age 6 years if they are at risk of exposure OR if no lead test was previously documented. For more information, call the Lead Poisoning Prevention Program at 311, or visit https://www1.nyc.gov/assets/doh/downloads/pdf/lead/lead-guidelines-children.pdf

IMMUNIZATION REQUIREMENTS 2022–23

The following immunization requirements are mandated by law for all students between the ages of 2 months and 18 years. Children must be excluded from school if they do not meet these requirements. To be considered fully immunized, a child must have an immunization history that includes all of the following vaccines. The child's immunization record should be evaluated according to the grade they are attending this school year.

PROVISIONAL REQUIREMENTS

New students may enter school or child care provisionally with documentation of at least this initial series of immunizations. Once admitted provisionally, subsequent vaccines must be administered in accordance with the Advisory Committee on Immunization Practices (ACIP) "catch up" schedule for the child to be considered "in process" and remain in school (refer to

https://www.cdc.gov/vaccines/schedules/hcp/imz/catchup.html). If a child does not receive subsequent doses of vaccine at appropriate intervals and according to the ACIP catch-up schedule, the child is no longer in process and must be excluded from school within 14 days after the minimum interval identified by the ACIP catch-up schedule. Alternative schedules are not acceptable. Students must complete the entire series to comply with the law. Students who have not been immunized within the provisional period must be issued exclusion letters and excluded from school or child care until they comply with the requirements.

VACCINES	CHILD CARE, HEAD START, NURSERY, 3K OR PRE-KINDERGARTEN	KINDERGARTEN through Grade 12
Diphtheria and tetanus toxoid-containing vaccine and pertussis vaccine (DTaP/DTP/DT/Td/Tdap) ^{2,3}	One dose DTaP or DTP	Grades K-5: One dose DTaP, DTP, DT; or Td, Tdap (ages 7 years or older) Grades 6-12: one dose of Tdap

Influenza ¹¹ Depending on their influenza vaccine history, some children may need two doses of influenza vaccine. A second dose in not required for child care/pre-K attendance.	One dose	

2022-23: FULL COMPLIANCE

New York State Immunization Requirements for Child Care and School Entrance/Attendance

Notes: For all settings and grades (child care, head start, nursery, 3K, pre-Kindergarten through 12), intervals between doses of vaccine should be in accordance with the ACIP-recommended immunization schedule for children aged 0 through 18 years. Doses received more than 4 calendar days before the recommended minimum age or interval are not valid and do not count. This 4-day grace period does not apply to the recommended 28day minimum interval between doses of live virus vaccines (i.e., MMR, varicella). Refer to the footnotes for dose requirements and specific information about each vaccine. Children enrolling in gradeless classes should meet immunization requirements for their age-equivalent grade. Children who were not in full compliance before the start of the school year must complete requirements according to the ACIP-recommended catch-up schedule in order to remain in child care or school.

CHILD CARE, HEAD START, NURSERY, 3K OR PRE-KINDERGARTEN KINDERGARTEN **GRADES** VACCINES 6 through 12 through Grade 5 5 doses or 4 doses if the fourth dose was Diphtheria and tetanus toxoid-containing received at age 4 years or older or 3 doses if vaccine and pertussis vaccine (DTaP/DTP)2 4 doses 3 doses the child is age 7 years or older and the series was started at age 1 year or older Tetanus and diphtheria toxoid-containing vaccine and pertussis vaccine booster Not Applicable 1 dose (Tdap)3 Polio vaccine (IPV/OPV)1,4 4 doses or 3 doses if the third dose was received at age 4 years or older 3 doses Measles, mumps, and rubella vaccine (MMR)1,5 1 dose 2 doses 3 doses or 2 doses of adult hepatitis B vaccine (Recombivax Hepatitis B (HepB) vaccine^{1,6} 3 doses HB®) for children who received the doses at least 4 months apart 3 doses between the ages of 11 through 15 years Varicella (chickenpox) vaccine^{1,7} 1 dose Grades 7, 8, 9,10 and 11: 1 dose Grade 12: 2 doses or 1 dose if the first Meningococcal conjugate vaccine Not Applicable (MenACWY)8 dose was received at age 16 years or older Haemophilus influenzae type b 1 to 4 doses Not Applicable conjugate vaccine (Hib) Pneumococcal conjugate vaccine (PCV)10 1 to 4 doses Not Applicable Influenza11 1 dose Not Applicable

For more information contact:

New York State Department of Health, Bureau of Immunization: 518-473-4437

New York City Department of Health and Mental Hygiene, Bureau of Immunization: 347-396-2433; Office of School Health Citywide (all districts): OSH@health.nyc.gov

Documented serologic evidence of immunity to measles, mumps, rubella, hepatitis B, or varicella meets the requirements for these immunizations. Serologic evidence of immunity to polio is acceptable only if results are positive for all three serotypes and testing must have been done prior to September 1, 2019. Diagnosis by a physician, physician assistant or nurse practitioner that a child had varicella disease is acceptable proof of immunity to varicella

- Diphtheria and tetanus toxoids and acellular pertussis (DTaP) vaccine (Minimum age: 6 weeks)
 a. Children starting the series on time should receive a five-dose series of DTaP vaccine at ages 2 months, 4 months, 6 months, 15 through 18 months, and age 4 years or older. The fourth dose may be received as early as age 12 months, provided at least 6 months have elapsed since the third dose. However, when retrospectively identified, the fourth dose need not be repeated if it was administered at least 4 months after the third dose. The final dose in the series must be received on or after the fourth birthday and at least 6 months after the prior dose.
- If the fourth dose was administered at age 4 years or older, the fifth (booster) dose is not necessary. b.
- If the fifth dose was received prior to the fourth birthday, a sixth dose, administered at least 6 months after the prior dose, is required.
- For children born before January 1, 2005, immunity only to diphtheria is required; any diphtheria-containing vaccine can meet the requirement (DTaP, DT, Td, or Tdap).

 Children ages 7 years and older who are not fully immunized with the childhood DTaP vaccine series should receive Tdap vaccine as the first dose in the catch-up series; if additional doses are needed, either Tdap or Td should be d.
- used. If the first dose of DTaP/DTP/DT was received before the first birthday, then four total doses are required to complete the series. If the first dose of DTaP/DTP/DT was received on or after the first birthday, then three total doses are required to complete the series. The final dose must be received on or after the fourth birthday.

Tetanus and diphtheria toxoids and acellular pertussis (Tdap) vaccine -- (Minimum age: 7 years)

- Students ages 11 years or older entering grades 6 through 12 are required to have one dose of Tdap.

 Students without Tdap who are age 10 years upon entry to 6th grade are in compliance until they turn age 11 years.

 In addition to the grade 6 through 12 requirement, Tdap may also be given as part of the catch-up series for students 7 years of age and older who are not fully immunized with the childhood DTaP series (see C. footnote 2e).
- In school year 2022-2023, only doses of Tdap (or DTaP) given at age 10 years or older will satisfy the Tdap requirement for grades 6, 7 and 8; however, doses of Tdap (or DTaP) given at age 7 years or older d. will satisfy the requirement grades 9 through 12.

 DTaP should NOT be used on or after the 7th birthday but if inadvertently received, the Tdap requirement is satisfied by doses of DTaP (see footnote 3c).
- Inactivated poliovirus vaccine (IPV) or oral polio vaccine (OPV) -- (Minimum age: 6 weeks)
- Children starting the series on time should receive IPV at ages 2 months, 4 months, 6 through 18 months and age 4 years or older. The final dose in the series must be received on or after the fourth birthday and at least 6 months
- For students who received their fourth dose before age 4 years: if the 4th dose was prior to August 7, 2010, four doses separated by at least four weeks is sufficient. b.
- If the third dose was received at age 4 years or older and at least 6 months after the prior dose, a fourth dose is not necessary.
- d If both OPV and IPV were administered as part of a series, the total number of doses and intervals between doses is the same as that recommended for the IPV schedule. For OPV to count towards the completion of the polio series, the dose(s) must have been given before April 1, 2016, and be trivalent (tOPV).
- es, mumps, and rubella (MMR) vaccine (Minimum age: 12 months)
 - The first dose of MMR vaccine must be given on or after the first birthday. The second dose must be given at least 28 days (four weeks) after the first dose to be considered valid.
 - Students in kindergarten through grade 12 must receive two doses of measles-containing vaccine, two doses of mumps-containing vaccine and at least one dose of rubella-containing vaccine.
- Hepatitis B (HepB) vaccine (Minimum age: birth)
 - The first dose of HepB vaccine may be given at birth or anytime thereafter. The second dose must be given at least four weeks (28 days) after the first dose. The third dose must be given at least eight weeks after the second dose AND at least 16 weeks after dose one AND no earlier than 24 weeks of age.

 Administration of a total of four doses is permitted when a combination vaccine containing HepB is administered after the birth dose. This fourth dose is often needed to ensure that the last dose in the series is given on or after age 6
 - b. months
 - Two doses of adult HepB vaccine (Recombivax®) received at least four months apart at age 11 through 15 years will meet the requirement.
- Varicella (chickenpox) vaccine (Minimum age: 12 months)
 - The first dose of varicella vaccine must be given on or after the first birthday. The second dose must be given at least 28 days (four weeks) after the first dose to be considered valid.
 - For children younger than age 13 years, the recommended minimum interval between doses is three months (though, if the second dose was administered at least four weeks after the first dose, it can be accepted as valid); for people aged 13 years and older, the minimum interval between doses is four weeks. h
- Meningococcal Vaccine (MenACWY) (Minimum age: 2 months)
 - Students entering grades 7, 8, 9, 10 and 11 are required to receive a single dose of meningococcal conjugate vaccine against serogroups A, C, W-135 and Y (MenACWY vaccine).
 - b. Students entering grade 12 need to receive two doses of MenACWY vaccine, or only one dose of MenACWY vaccine if the first dose was administered at age 16 years or older.
 - If the second dose was administered before age 16 years, then a third dose given on or after age 16 years is required. d.
 - The minimum interval between doses of MenACWY vaccine is eight weeks. In school year 2022-2023, only doses of MenACWY given at 10 years or older satisfies the requirement for grades 7, 8 and 9; doses given before 10 years will satisfy the requirement for the first dose for grades 10 through 12.
 - ophilus influenzae type b conjugate vaccine (Hib) (Minimum age: 6 weeks) Had Children starting the series on time and receiving PRP-T Hib vaccine should receive doses at ages 2 months, 4 months, 6 months and 12 through 15 months. If the formulation is PRP-OMP, only two doses are needed before age
 - 12 through 15 months. b.
 - If 2 doses of vaccine were received before age 12 months, only 3 doses are required, with the third dose at 12 through 15 months and at least 8 weeks after the second dose. If the first dose was received at age 12 through 14 months, only 2 doses are required with second dose at least 8 weeks after the first dose.
 - If the first dose was received at age 15 months or older, no further doses are required.

e. Hib vaccine is not required for children ages 5 years or older. Pneumococcal conjugate vaccine (PCV) – (Minimum age: 6 weeks)

- Children starting the series on time should receive PCV vaccine at ages 2 months, 4 months, 6 months and 12 through 15 months. a.
- b. Unvaccinated children ages 7 through 11 months must receive two doses, at least four weeks apart, followed by a third dose at age 12 through 15 months and at least eight weeks after the prior dose.
- Unvaccinated children ages 12 through 23 months must receive two doses at least eight weeks apart. C.
- d. If a dose was received at age 24 months or older, no further doses are required.
- PCV vaccine is not required for children ages 5 years or older. e.
- See PCV chart at https://www.cdc.gov/vaccines/schedules/downloads/child/job-aids/pneumococcal.pdf
- Influenza Vaccine -- (Minimum age: 6 months)

10.

11.

- All children 6 months through 59 months of age enrolled in NYC Article 47 & 43 regulated Child Care, Head Start, Nursery, or Pre-K programs must receive one dose of influenza vaccine between July 1st and December 31st of each year. a.
- b.
- Depending on their prior influenza vaccination history, some children may need two doses of influenza vaccine; however, a second dose is not required for school entry. Please refer to the Centers for Disease Control and Prevention (cdc.gov/flu) or New York City Department of Health (https://www.nyc.gov/health/flu) C.

Health Screenings Consent and Sick Policy Form

Child's Name: ______ DOB: _____

Parent/Guardian Name(s):
Health Screenings : (Please initial where indicated): To assure the health of all students in our program, BumbleBeesRus will be conducting various screenings which will be performed either by in-house staff members.
The following screenings will be conducted:
Daily Health Check (upon arrival)Temperature Check (upon arrival and as needed)
If any of the above is a concern, please advise the Summer/After School Program Director so that we can discuss and address appropriately.
Health Screenings (please initial):
I give permission for BumbleBeesRus to conduct all screenings as listed above or as deemed necessary. Screenings may be done by either BumbleBeesRus staff/consultants and by certified organizations who partner with BumbleBeesRus for the health and well-being of my child.
OTC Medication (please initial):
I give permission for the administration of the following non-ingestible over the counter medications, including sunscreen and insect repellent, as needed. I understand that such OTC medication will be brought to school in its original container and will be clearly labeled with my child's name.
Sick Policy (please initial where indicated): To ensure the safety of all staff and children in the program, children who are ill with fever, vomiting or other illnesses detected by staff upon arrival will not be able to attend. Children who are absent for more than 2 days due to illness are required to deliver a doctor's note clearing them for attendance, Children who become ill during program hours will be required to be picked up by a parent, guardian or other authorized escort.
I understand the BumbleBeesRus Sick Policy and agree to follow the requirements stated above to ensure the well being of my child.
I understand and agree to all of the topics listed in this form.
