Welcome to BumbleBeesRus!

Dear Parents and Guardians,

First and foremost, I want to thank you for choosing BumbleBeesRus as your childcare provider. I am excited to welcome you to the BumbleBeesRus family! Our main goal at BumblebeesRus is to provide your child with the best care possible in a safe, nurturing, and fun environment.

In this Enrollment Packet, you will find all the forms that you need for your child's enrollment at BumbleBeesRus. Also included in this packet is important information such as contact numbers, medical requirements, calendar of events, and other documents that you will need to have signed to complete your child's enrollment. For your convenience, the Enrollment Packet is available online at www.BumbleBeesRus.com and some forms can be downloaded and easily filled out or printed using the Acrobat PDF.

Please do not hesitate to contact me via email or phone should you have any questions regarding your child's care. Thank you and BumbleBeesRus looks forward to providing your child with a wonderful home away from home.

Warm Regards,

Rivka Reinetz
Program Director

Tuition Agreement Form

Child's Name: _____ DOB: _____

Parent/Guardian Name(s): _____

Tuition Type (check one):

☐ **Monthly Tuition**: I/We agree to pay our child's monthly tuition on the 1st of each month of service in the amount of _____.

☐ **Weekly Copay**: I/We agree to pay our child's weekly copay on the Friday before each week of service according to the amount on our child's placement notice or voucher.

Tuition Policies:

- **Security Deposits –** All security deposits are nonrefundable.
- **Fee schedules –** Credit card payments will be processed by the Fiscal Office on the first business day of each month of service (or the last business day of the previous month if the first falls on a weekend or holiday). All other payments are to be handed to the center's office manager or other site admin staff by their due date.
- **Late Fees –** Monthly tuition payments that are received after the 10th of each month will be assessed a late fee of $35. Copayments that are received after the Monday of each week of service will be assessed a late fee of $5 per day starting on Tuesday.
- **Returned Checks –** A tuition check that is returned for any reason will result in a returned check fee of $25.00. If this happens more than once, checks will no longer be accepted as a method of payment.
- **Delinquent Accounts** – Any account that is over 30 days past due is at risk of termination of services.
- **School Closings/ Absences** – Monthly tuition and copays are due regardless of school closings due to federal holidays, professional development days, inclement weather, facility-related issues, etc. or your child's absences due to illness, vacations, etc.
- **Withdrawal from BumbleBeesRus** – A 30-day written notice is required for withdrawal from the program. If this notice is not received, parents/families will be expected to pay the tuition for the 30-day period.

I/We understand and agree to the terms and policies above:

November 2019

Dear Parent, Guardian or CACFP Participant,

This center participates in the Child and Adult Care Food Program (CACFP) and provides healthy meals at no cost to all children and adults enrolled in the daycare center. By completing and returning the attached Income Eligibility Form, you will help your center receive money from CACFP for the meals that are served. If your household's income is equal to or less than the amounts indicated for your household size on the chart below, the center will receive a higher rate of funding for the meals served. The Income Eligibility Form needs to be completed every year. Your center and CACFP will keep all information private.

INCOME ELIGIBILITY GUIDELINES
(Effective July 1, 2024 until June 30, 2025)

LAST FOUR (4) DIGITS OF SOCIAL SECURITY NUMBER | | | | |

Date _____

This institution is an equal opportunity provider.

Privacy Act Statement: The Richard B. Russell National School Lunch Act requires the information on this form. You do not have to give the information, but if you do not, we cannot approve the participant for free or reduced-price meals. You must include the last four digits of the Social Security Number of the adult household member who signs the form. The Social Security Number is not required when you: apply on behalf of a foster child; provide a SNAP, TANF or FDPIR number; or when you indicate that the adult household member signing the form does not have a Social Security Number. We will use your information to determine if the center is eligible for free or reduced-price meal reimbursement and for administration and enforcement of the Program.

INSTRUCTIONS FOR COMPLETING DOH-3688

Definition of Income

Income means income before deductions for income taxes, social security taxes, insurance premiums, charitable contributions, and bonds, etc. It includes the following: (1) monetary compensation for services, including wages, salary, commissions or fees; (2) net income from non-farm self-employment; (3) net income from farm self-employment; (4) Social Security payments; (5) dividends or interest on savings or bonds, income from estates or trusts or net rental income; (6) unemployment compensation; (7) government civilian employee or military retirement, or pensions or veteran's payments; (8) private pensions or annuities; (9) alimony or child support payments; (10) regular contributions from persons not living in the household; (11) net royalties; (12) military benefits received in cash, such as housing allowance except if you are in the Military Housing Privatization Initiative; and (13) any other cash income.

Definition of Household

Household means *family* as defined in 7 CRF 22.6.2. *Family* means a group of related or unrelated individuals who are not residents of an institution or boarding house, but who are living as one economic unit.

INSTRUCTIONS FOR PARENTS OR GUARDIANS

Write in the name of the child care center in the space provided.

Print the name of each child in your household who attends this child care center.

Section A: If anyone in your household participates in the Supplemental Nutrition Assistance Program (SNAP), receives Temporary Assistance for Needy Families (TANF) or participates in the Food Distribution Program on Indian Reservations (FDPIR), complete Section A only. Write down the SNAP, TANF or FDPIR number (do not use your ACS or DSS child care subsidy number). Then sign and date the form and return it to the day care center.

Foster children: If your household includes a foster child who is in child care, write in the names of the foster children.

Section B: Complete this section if you did not complete Section A. Write in your name and the names of all other adults and children living in the household, including unrelated people, even if they do not have any income. Do not include the children in child care who are listed at the top of the form.

Enter the amount of income each person received **last month**, before taxes or anything else was taken out. Refer to the Definition of Income and the Definition of Household, above. If any amount last month was more or less than the usual, write in that person's usual income.

The last four digits of the Social Security Number of the adult signing the certification is required. If you do not have a Social Security Number, write *none*. The form must be signed by an adult member of the household.

INSTRUCTIONS FOR SPONSORS AND CENTERS

The *For The Childcare Center To Complete* section is to be completed, signed and dated by sponsor or center staff. The sponsor/center representative must review the income eligibility form and ensure that it is completed as indicated in the instructions above. Then indicate the following:

The CACFP Agreement Number.

Total Number of Household Members – This item does not have to be completed if the parent completed Section A. Add those indicated in Section B (if completed) to the children enrolled in child care and the number of foster children, if applicable.

Total Household Income – This item does not need to be completed if the parent completed Section A. Indicate the total monthly income as calculated from Section B. If the parent chooses not to disclose income, the form must be categorized as *paid*.

Number of Free, Reduced or Paid – Compare the total household income and the total number of household members with the current year's Income Eligibility Guidelines (CACFP-3687) to determine if the household should be categorized as **Free, Reduced or Paid**. Use the appropriate column on the CACFP-3687 to categorize their income. For example, if the parent indicated biweekly income, multiply this amount by 26 to determine yearly income.

Incomplete forms (missing signatures, income information, last four digits of Social Security Number or SNAP, TANF or FDPIR numbers) are categorized in the paid category.

The income eligibility form is valid until the last day of the month one calendar year from the date it is signed by the household member. For example, a form signed on May 12, 2023 is valid until May 31, 2024.

Welcome Parents and Caregivers!

We understand that finding the right day care is a difficult process. Rest assured that every child entrusted into our care will be nurtured and loved. At BumbleBeesRus, we continually strive to create a stimulating environment, where every child is encouraged to reach his or her own potential. We understand that every child is unique and has his/her own individual strengths and interests. Our educational philosophy is to teach multi-sensory approach; we learn through play and we play while we learn.

Additionally, any concern that you mght have will be addressed in a professional manner and we will always work together to find apropriate solutions.

Thank you for choosing BumbleBeesRus!

NEW STUDENT SUPPLY LIST

Upon entry, the following items are required. Please make certain that all items are clearly labeled with your child's name so we can assure that it will be used for your child only. List is subject to change.

Infant (8 weeks–12 Months)	Toddler (12–24 Months)	Preschoolers/DOE Programs (2–5 Years)
☐ Prepared bottles (site-specific) ☐ Baby food (site-specific) ☐ Diapers/wipes/ointment (1 package of each) ☐ 1 box of tissues per month ☐ 1 roll of paper towels per month ☐ Crib sheet ☐ Seasonal change of clothing (pants, shirt, and socks)	☐ Diapers/wipes/ointment (1 package of each) OR potty training supplies (pull-ups/flushable wipes) ☐ 1 box of tissues per month ☐ 1 roll of paper towels per month ☐ Standard size fitted cot sheet ☐ Seasonal change of clothing (pants, shirt, underwear, socks) ☐ Prepared meals/snacks* (site-specific)	☐ Potty training supplies (pull-ups/flushable wipes) ☐ 1 box of tissues per month ☐ 1 roll of paper towels per month ☐ Standard size fitted cot sheet ☐ Seasonal change of clothing (pants, shirt, underwear, socks) ☐ Non-spill water bottle

***Please note that we are a nut-free facility**

Food & Bottle Policy

As per the New York City Department of Health Bureau of Child Care:

Food/Bottles:

- Parents are expected to provide a supply of prepared formula, ready-made formula, milk, (including breast milk) juice and water as per your child's daily liquid intake habits. Staff are not permitted to prepare or mix any liquids; staff may add water to formula powder that is already prepared in the bottle.

- All bottled liquids must be clearly labeled with the child's first and last name, the contents of each bottle, and the date of preparation.

- Bottled liquids will be refrigerated as necessary during the day and heated accordingly. Microwaves may not be used to heat bottles; bottles will be warmed in a bottle warmer only for half an hour prior to serving.

- Staff is not permitted to sanitize or clean bottles. Used and unused bottles will be returned at pick up time. Bottles may not be stored in the center overnight.

- Staff is not permitted to prepare any foods. All perishable food will be refrigerated as necessary. Microwaves will be used to warm/heat up foods. **Food must be stored in a microwavable container clearly labeled with the child's first name, last name, and date**. Unused portions will be returned at pick up time. Food items may not be stored in the center overnight.

- At centers where meals are provided, no outside food or snacks are permitted.

Pacifier:

- Pacifier use is discouraged while the child is awake or during activity times. Children tend to be 'curious' about pacifiers and tend to 'share' them, thereby sharing germs.

- Although there is much controversy over the use of pacifiers, please speak to your child's pediatrician about your child's personal pacifier habits.

_____ I have read, understood, and agree with the above policies (please initial).

BumbleBeesRus.com

Dear Parents and Guardians,

First, let me thank you for choosing BumbleBeesRus. We are proud to be your family's child care provider and family partners.

A large part of our program will revolve around the health and safety of your child, and in order to protect all our children, we ask that you submit the following required documents prior to entry date.

1) **COMPLETED PHYSICAL EXAM**
Please see the forms and information included in the enrollment packet, which provide details regarding specific medical and immunization requirements by age group.

2) **COMPLETED FOOD ALLERGY PLAN**
To ensure the health and safety of your child, please fill out the Food Allergy Plan, even if your child does not have allergies. If your child has allergies, please have your child's physician fill out the form in detail so that we know about each allergy that your child has, including any allergy medication to be administered.

Thank you and we look forward to building a healthy future for our children, selves, and community.

Regards,

Tahreem Shahid
Health & Safety Coordinator
Email: *tahreem@bumblebeesrus.com*

Well-Baby Visits for Children Under the Age of 24 Months

Children are required to be seen by a doctor and a physical exam submitted to BumbleBeesRus at the following intervals: 2, 4, 6, 9, 12, 15, 18, and 24 months. This means that during the school year, if your child ages into any of these groups (for example, turns 9 months old), your child will have to be seen by a doctor. Your Family Worker or Office Manager will be in touch with you to remind you about these requirements; however, your child's enrollment is contingent on compliance and it is the parent's responsibility to assure that the appropriate documentation is received in a timely manner.

Medical Requirements Prior to Entry (by age):

In accordance with the rules and regulations set forth by the NYC Department of Health your child's medical must be submitted prior to being enrolled in BumbleBeesRus.

The following is the breakdown of medical and immunization requirements by age.

Age	On Medical	DtaP	Hep B	Hib	PCV	IPV	MMR	Varicella	Influenza July 31-Dec 31
Birth to 2 months	Well-Baby Visit Growth Assessment	N/A	1	N/A	N/A	N/A	N/A	N/A	N/A
2-3 months	Well-Baby Visit Growth Assessment	1	2	1	1	1	N/A	N/A	N/A
4-5 months	Well-Baby Visit Growth Assessment	2	2	2	2	2	N/A	N/A	N/A
6-8 months	Well-Baby Visit Growth Assessment	3	2	3	3	3	N/A	N/A	1
9-12 months	Well-Baby Visit Growth Assessment	3	3	3	3	3	N/A	N/A	1
12-15 months	Well-Baby Visit Growth Assessment *ACS Entrants:* *Lead and HgB*	3	3	3	3	3	1	1	1
15-18 months	Well-Baby Visit Growth Assessment *ACS Entrants:* *Lead and HgB*	4	3	3	4	3	1	1	1
18-36 months	Well-Baby Visit Growth Assessment *ACS Entrants:* *Lead, HgB,* *Blood Pressure,* *Hearing, and Vision*	4	3	3	4	3	1	1	1
3-5 years	Physical Exam Growth Assessment *ACS Entrants:* *Lead, HgB,* *Blood Pressure,* *Hearing, and Vision*	4	3	3	4	3	1	1	1

In some circumstances, your child may be accepted without all of the above requirements. In such cases, it is the parent's responsibility to assure that all requirements are met within the deadline received. Please refer to the official NYC Department of Health and Mental Hygiene Medical Requirements for New School Entrants for more details, which is included in the BumblebeesRus Enrollment Packet.

NYC Public Schools | Department of Health & Mental Hygiene

SEPTEMBER 2024

MEDICAL REQUIREMENTS FOR CHILD CARE AND NEW SCHOOL ENTRANTS

(PUBLIC, PRIVATE, PAROCHIAL SCHOOLS AND CHILD CARE CENTERS)

ALL STUDENTS ENTERING A NEW YORK CITY (NYC) SCHOOL OR CHILD CARE FOR THE FIRST TIME MUST HAVE A COMPLETE PHYSICAL EXAMINATION AND ALL REQUIRED IMMUNIZATIONS

The comprehensive medical examination must be documented on a Child Adolescent Health Examination Form (CH205) and include the following:

Weight	Body Mass Index	Medical History
Height	Vision Screening	Developmental Assessment
Blood Pressure	Hearing Screening	Nutritional Evaluation
	Dental Screening	

All students entering NYC public or private schools or child care (including Universal 3K and Pre-Kindergarten classes) for the first time must submit a report of a physical examination performed within one year of school entry. Because children develop and grow so quickly at these early ages, if this initial examination is performed before the student is age 5 years, a second examination, performed between the child's fifth and sixth birthday, is also required. Fillable CH-205 forms that include the student's pre-populated vaccination histories are available in the NYC Citywide Immunization Registry (CIR). A savable version of the pre-populated CH205 is also available in the CIR and is accessible for use to update as needed. For school year 2024-2025, the previous version of the CH205 form produced from the Online Registry will continue to be accepted by all NYC Public Schools, center-, school- and home-based care, child care, and after-school programs until it is replaced by the new version.

Required Screening for Child Care Only

Screening	Required Information
Anemia Screening	Hematocrit or Hemoglobin
Lead Screening, Assessment and Testing	• All children under age 6 years must be assessed annually for lead exposure. • Blood lead tests are required for children at ages 1 and 2 years AND other children up to age 6 years if they are at risk of exposure OR if no lead test was previously documented. • For more information, call the Lead Poisoning Prevention Program at 311, or visit https://www1.nyc.gov/assets/doh/downloads/pdf/lead/lead-guidelines-children.pdf

IMMUNIZATION REQUIREMENTS 2024–25

The following immunization requirements are mandated by law for all students between the ages of 2 months and 18 years (i.e., until they reach the age of 18 years). Children must be excluded from school if they do not meet these requirements. To be considered fully immunized, a child must have an immunization history that includes all of the vaccines listed in the Full Compliance table. The child's immunization record should be evaluated according to the grade they are attending this school year.

PROVISIONAL REQUIREMENTS

New students may enter school or child care provisionally with documentation of at least this initial series of immunizations. Once admitted provisionally, subsequent vaccines must be administered in accordance with the CDC Advisory Committee on Immunization Practices (ACIP), "catch up" schedule (CDC catch-up schedule) for the child to be considered "in process" and remain in school. If a child does not receive subsequent doses of vaccine at appropriate intervals and according to the ACIP, the child is no longer in process and must be excluded from school within 14 days after the minimum interval identified by the CDC catch-up schedule. Alternative schedules are not acceptable. Students must complete the entire series to comply with the law. Students who have not been immunized within the provisional period must be issued exclusion letters and excluded from school or child care until they comply with the requirements.

VACCINES	CHILD CARE, HEAD START, NURSERY, 3K OR PRE-KINDERGARTEN	KINDERGARTEN through Grade 12
Diphtheria and tetanus toxoid-containing vaccine and pertussis vaccine (DTaP/DTP/Tdap)[2]	**One dose DTaP or DTP**	**Grades K-5: One dose DTaP, DTP; or Tdap (ages 7 years or older)** **Grades 6-12: one dose of Tdap**
Polio vaccine (IPV/OPV)[1,4]	**One dose**	**One dose**
Measles, mumps, and rubella vaccine (MMR)[1,5] On or after the first birthday	**One dose**	**One dose**
Hepatitis B (HepB) vaccine[1,6]	**One dose**	**One dose**
Varicella (chickenpox) vaccine[1,7] On or after the first birthday	**One dose**	**One dose**
Meningococcal conjugate vaccine (MenACWY)[8] Grades 7 through 12		**One dose**
***Haemophilus influenzae* type b conjugate vaccine (Hib)[9]** Through age 59 months (up until the 5th birthday)	**One dose**	
Pneumococcal conjugate vaccine (PCV)[10] Through age 59 months (up until the 5th birthday)	**One dose**	
Influenza[11] Depending on their influenza vaccine history, some children may need two doses of influenza vaccine. A second dose in not required for child care/pre-K attendance.	**One dose**	

2024–25: FULL COMPLIANCE

New York State Immunization Requirements for Child Care and School Entrance/Attendance

For all settings and grades (child care, head start, nursery, 3K, pre-K-12), intervals between doses of vaccine should be in accordance with the CDC-recommended schedule for children 18 years or younger. Only doses received within 4 calendar days of the recommended minimum age or interval are valid and count (4-day grace period). The 4-day grace period does not apply to the recommended 28-day minimum interval between a dose of MMR and varicella vaccine. Refer to the footnotes for dose requirements and specific information about each vaccine, including other exceptions to the 4-day grace period. Children enrolling in gradeless classes should meet immunization requirements for their age-equivalent grade. Children who were not in full compliance before the start of the school year must complete requirements according to the **CDC catch-up schedule** in order to remain in child care or school.

VACCINES	CHILD CARE, HEAD START, NURSERY, 3K OR PRE-KINDERGARTEN	KINDERGARTEN through Grade 5	GRADES 6 through 12
Diphtheria and tetanus toxoid-containing vaccine and pertussis vaccine (DTaP/DTP/Tdap/Td)[2] Footnote explains vaccine type by age	**4 doses**	**5 doses** or **4 doses** if the fourth dose was received at age 4 years or older or **3 doses** if the child is age 7 years or older and the series was started at age 1 year or older	**3 doses**
Tetanus and diphtheria toxoid-containing vaccine and pertussis vaccine booster (Tdap)[3]	**Not Applicable**		**1 dose**
Polio vaccine (IPV/OPV)[1,4]	**3 doses**	**4 doses** or **3 doses** if the third dose was received at age 4 years or older	
Measles, mumps, and rubella vaccine (MMR)[1,5]	**1 dose**	**2 doses**	
Hepatitis B (HepB) vaccine[1,6]	**3 doses**	**3 doses**	**3 doses or 2 doses of adult hepatitis B vaccine** (Recombivax HB®) for children who received the doses at least 4 months apart between the ages of 11 through 15 years
Varicella (chickenpox) vaccine[1,7]	**1 dose**	**2 doses**	
Meningococcal conjugate vaccine (MenACWY)[8]	**Not Applicable**	**Grades 7, 8, 9,10 and 11: 1 dose**	**Grade 12: 2 doses** or **1 dose** if the first dose was received at age 16 years or older
***Haemophilus influenzae* type b conjugate vaccine (Hib)[9]**	**1 to 4 doses**	**Not Applicable**	
Pneumococcal conjugate vaccine (PCV)[10]	**1 to 4 doses**	**Not Applicable**	
Influenza[11]	**1 dose**	**Not Applicable**	

For more information contact: New York City Department of Health and Mental Hygiene, Bureau of Immunization: 347-396-2433; Office of School Health Citywide (all districts): OSH@health.nyc.gov
New York State Department of Health, Bureau of Immunization: 518-473-4437

1. Documented serologic evidence of immunity to measles, mumps, rubella, hepatitis B, or varicella meets the requirements for these immunizations. Serologic evidence of immunity to polio is acceptable only if results are positive for all three serotypes and testing must have been done prior to September 1, 2019. Diagnosis by a physician, physician assistant or nurse practitioner that a child had varicella disease is acceptable proof of immunity to varicella.

2. Diphtheria and tetanus toxoids and acellular pertussis (DTaP) vaccine -- (Minimum age: 6 weeks)
- a. Children starting the series on time should receive a five-dose series of DTaP vaccine at ages 2 months, 4 months, 6 months, 15 through 18 months, and age 4 years or older. The fourth dose may be received as early as age 12 months, provided at least 6 months have elapsed since the third dose. However, when retrospectively identified, the fourth dose need not be repeated if it was administered at least 4 months after the third dose. The final dose in the series must be received on or after the fourth birthday and at least 6 months after the prior dose.
- b. If the fourth dose was administered at age 4 years or older, the fifth (booster) dose is not necessary.
- c. If the fifth dose was received prior to the fourth birthday, a sixth dose, administered at least 6 months after the prior dose, is required.
- d. Children ages 7 years and older who are not fully immunized with the childhood DTaP vaccine series should receive Tdap vaccine as the first dose in the catch-up series; if additional doses are needed, either Tdap or Td should be used; the Tdap dose may count towards the Tdap requirement according to grade (see footnote 3d). If the first dose of DTaP/DTP was received before the first birthday, then four total doses are required to complete the series. If the first dose of DTaP/DTP was received on or after the first birthday, then three total doses are required to complete the series. The final dose must be received on or after the fourth birthday.

3. Tetanus and diphtheria toxoids and acellular pertussis (Tdap) vaccine -- (Minimum age: 10 years for grades 6-10 (the 4-day grace period does not apply); 7 years for grades 11 and 12)
- a. Children ages 11 years or older entering grades 6 through 12 are required to have one dose of Tdap.
- b. Children without Tdap who are age 10 years upon entry to 6th grade are in compliance until they turn age 11 years.
- c. In addition to the grade 6 through 12 requirement, Tdap may also be given as part of the catch-up series for students 7 years of age and older who are not fully immunized with the childhood DTaP series (see footnote 2d).
- d. In school year 2024-2025, only doses of Tdap (or DTaP) given at age 10 years or older will satisfy the Tdap requirement for grades 6-10. However, doses of Tdap (or DTaP) given at age 7 years or older will satisfy the requirement grades 11 and 12.
- e. DTaP should NOT be used on or after the 7th birthday but if inadvertently received, the Tdap requirement is satisfied by doses of DTaP (see footnote 3c and 3d).

4. Inactivated poliovirus vaccine (IPV) or oral polio vaccine (OPV) -- (Minimum age: 6 weeks)
- a. Children starting the series on time should receive IPV at ages 2 months, 4 months, 6 through 18 months and age 4 years or older. The final dose in the series must be received on or after the fourth birthday and at least 6 months after the prior dose.
- b. For children who received their fourth dose before age 4 years: if the 4th dose was prior to August 7, 2010, four doses separated by at least four weeks (28 days) is sufficient.
- c. If the third dose was received at age 4 years or older and at least 6 months after the prior dose, a fourth dose is not necessary.
- d. If both OPV and IPV were administered as part of a series, the total number of doses and intervals between doses is the same as that recommended for the IPV schedule. For OPV to count towards the completion of the polio series, the dose(s) must have been given before April 1, 2016, and be trivalent (tOPV).

5. Measles, mumps, and rubella (MMR) vaccine -- (Minimum age: 12 months)
- a. The first dose of MMR vaccine must be given on or after the first birthday. The second dose must be given at least four weeks (28 days) after the first dose to be considered valid.
- b. Children in kindergarten through grade 12 must receive two doses of measles-containing vaccine, two doses of mumps-containing vaccine and at least one dose of rubella-containing vaccine.

6. Hepatitis B (HepB) vaccine -- (Minimum age: birth)
- a. The first dose of HepB vaccine may be given at birth or anytime thereafter. The second dose must be given at least four weeks (28 days) after the first dose. The third dose must be given at least eight weeks after the second dose AND at least 16 weeks after dose one AND no earlier than 24 weeks of age.
- b. Administration of a total of four doses is permitted when a combination vaccine containing HepB is administered after the birth dose. This fourth dose is often needed to ensure that the last dose in the series is given on or after age 6 months.
- c. Two doses of adult HepB vaccine (Recombivax®) received at least four months apart at age 11 through 15 years will meet the requirement.

7. Varicella (chickenpox) vaccine -- (Minimum age: 12 months)
- a. The first dose of varicella vaccine must be given on or after the first birthday. The second dose must be given at least four weeks (28 days) after the first dose to be considered valid.
- b. For children younger than age 13 years, the recommended minimum interval between doses is three months; four weeks (28 days) after the first dose is valid (the 4-day grace period does NOT apply).
- c. For children aged 13 years and older, the recommended minimum interval between doses is four weeks (28 days) (the 4-day grace period applies).

8. Meningococcal Vaccine (MenACWY) -- (Minimum age: 10 years for grades 7-11 (the 4-day grace period does not apply); 2 months for grade 12)
- a. Children entering grades 7, 8, 9, 10 and 11 are required to receive a single dose of meningococcal conjugate vaccine against serogroups A, C, W-135 and Y (MenACWY vaccines, including Menactra, Menveo, or MenQuadfi). See footnote 8e for the age requirements.
- b. Children entering grade 12 need to receive two doses of MenACWY vaccine, or only one dose of MenACWY vaccine if the first dose was administered at age 16 years or older.
- c. If the second dose was administered before age 16 years, then a third dose given on or after age 16 years is required.
- d. The minimum interval between doses of MenACWY vaccine is eight weeks.
- e. In school year 2024-2025, only doses of MenACWY given at 10 years or older satisfy the requirement for grades 7-11; doses given before 10 years will satisfy the requirement for the first dose for grade 12.

9. *Haemophilus influenzae* type b conjugate vaccine (Hib) -- (Minimum age: 6 weeks)
- a. Children starting the series on time and receiving PRP-T Hib vaccine should receive doses at ages 2 months, 4 months, 6 months and 12 through 15 months. If the formulation is PRP-OMP, only two doses are needed before age 12 through 15 months.
- b. If 2 doses of vaccine were received before age 12 months, only 3 doses are required, with the third dose at 12 through 15 months and at least 8 weeks after the second dose.
- c. If the first dose was received at age 12 through 14 months, only 2 doses are required with second dose at least 8 weeks after the first dose.
- d. If the first dose was received at age 15 months or older, no further doses are required.
- e. Hib vaccine is not required for children ages 5 years or older.

10. Pneumococcal conjugate vaccine (PCV) -- (Minimum age: 6 weeks)
- a. Children starting the series on time should receive PCV vaccine at ages 2 months, 4 months, 6 months and 12 through 15 months.
- b. Unvaccinated children ages 7 through 11 months must receive two doses, at least four weeks (28 days) apart, followed by a third dose at age 12 through 15 months and at least eight weeks after the prior dose.
- c. Unvaccinated children ages 12 through 23 months must receive two doses at least eight weeks apart.
- d. Unvaccinated children ages 24 through 59 months must receive just one dose.
- e. PCV vaccine is not required for children ages 5 years or older.

11. Influenza Vaccine -- (Minimum age: 6 months)
- a. Children 6 months through 59 months of age enrolled in NYC Article 47 & 43 regulated Child Care, Head Start, Nursery, or Pre-K programs must receive one dose of influenza vaccine between July 1 and December 31 of each year.
- b. Depending on their prior influenza vaccination history, some children may need two doses of influenza vaccine; however, a second dose is not required for school entry. Please refer to the CDC (cdc.gov/flu) or NYC Department of Health (www.nyc.gov/health/flu)

Child Health History Form

Child's Name _____ Date of Birth _____

Hospitalization, Accidents, Illnesses and Medication	Yes/No
Was child ever hospitalized or operated on?	
Has child ever had a serious accident?	
Has child ever had a serious illness?	
Is your child currently taking medication? Which medication?	
Comments:	

Has your child ever had or currently have any of the following concerns or does your child complain about any of the following? (Please check all that apply)

Frequent sore throat		Frequent cough		Urinary infections		Stomach pain, concerns	
Difficulty seeing		Currently wear glasses		Ears/hearing		Seizures, convulsions	
Comments:							

Has your child ever had or does your child currently have any of the following diseases? (Please check all that apply)

Asthma		Bleeding tendencies		Diabetes		Epilepsy	
German Measles		Measles		Heart/Blood Vessel Disease		Liver Disease	
RheumaticFever		Sickle Cell Disease		Boils or Hives		Chicken Pox	
Eczema		Mumps		Whooping Cough		Polio	
Comments:
